EDUCATION

● ALGONQUIN COLLEGE

- Computer Programmer Diploma. **GPA: 3.95/4.0**
Ottawa, ON, Canada
September 2021 ~ Present

NORTHERN ALBERTA INSTITUTE OF TECHNOLOGY

- Architectural Technologist Diploma
Edmonton, AB, Canada
September 2018 ~ April 2020

SKILLS

- Java, Eclipse
- HTML/CSS, JavaScript, Visual Studio Code, XAMPP
- Linux, VMware WorkStation Pro
- PostgreSQL, pgAdmin III, pgModeler
- MySQL, Microsoft Access, Microsoft SQL Server

PERSONAL WORKS

● E-PORTFOLIO (HTML, CSS, JAVASCRIPT)

- February 2022 ~ Present

A website format of portfolio in descriptive self introduction with personal skills that I achieved throughout the terms in the college and listed projects to run on a live server and GitHub location to view codes written in HTML, CSS, and JavaScript.

Live Server: <https://johnnyldev.github.io/Portfolio/>

SIMPLE BANK APPLICATION (JAVA)

- May 2022

A console running simple application developed using Java as a main language. Using the knowledge achieved throughout the terms in the college and created my own application outside of school time. Available to visit the code on GitHub and clone codes to try on a personal IDE program for Java.

WORK EXPERIENCES

- **PHS Disaster Services DKI**
 - Labourer
Edmonton, AB, Canada
April 2020 ~ August 2020
 - Identified unseen additional damages and suggested optimal solution by reporting to the senior to prevent potential collateral damage.
